MannaCare
WIDER CHOICES FOR OLDER PEOPLE

MannaCare provides a comprehensive range of community care services to support people living independently in their own homes.

Community care wherever you need it.

We offer community care services both onsite at MannaCare in Doncaster, and in people's own homes.

These services range from helping with physical jobs that an older person can no longer do, to rehabilitation and activity groups, respite care, and connecting carers with other carers, plus professionals who can help them.

Carers are often isolated, with many feeling it intensely. Our Community Workers are able to support carers of older people in their caring roles.

Our community care services encompass the following:

- Home Care packages
- MCA Flexicare
- Home maintenance
- Community day and overnight respite
- Rehabilitation

The MannaCare range of community care services gives people greater flexibility to make choices that suit their individual needs.

HOME CARE PACKAGES

MannaCare administers three types of Home Care Packages:

- Level 2 - low level care needs
- Level 3 - intermediate care needs
- Level 4 - high care needs

Care Advisors are available to assist clients get the most out of their package.

MCA FLEXICARE

A wide and flexible range of personal assistance services from housework to transport. Regular and reliable assistance.

HOME MAINTENANCE

Advice and assistance with home and garden maintenance to help maintain a safe, habitable and healthy home environment for older people and those with a disability.

COMMUNITY RESPITE

Provide carers of older people with the opportunity to take a break while being reassured their loved ones are safe and secure.

REHABILITATION

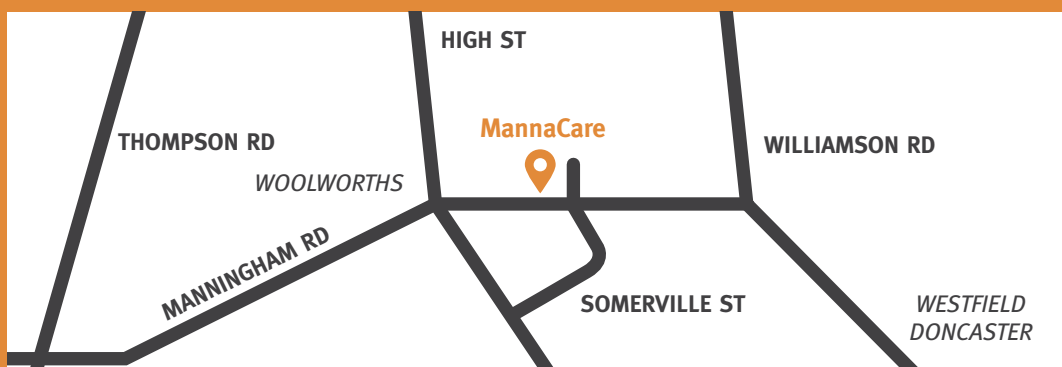

Extensive range of individual and group sessions focusing on reablement and promoting independence. Allied Health services provided include physiotherapy, occupational therapy and podiatry.

GYMACTIVE

State of the art strength and cardio exercise equipment, designed to meet the needs of older people. Also incorporates stretching, strengthening, balance and co-ordination exercises.

THE COMMONWEALTH HOME SUPPORT PROGRAM (CHSP)

Funded by the Australian Government Department of Health, this program helps eligible older people living in the community to maximise their independence, through the delivery of timely, high quality entry-level support services. Most of the community care services provided by MannaCare are funded by the CHSP.
