

# More choices in community care

**MannaCare**  
WIDER CHOICES FOR OLDER PEOPLE

# Community care wherever you need it

MannaCare provides a comprehensive range of community care services to support people living independently in their own homes.

We offer these services onsite at MannaCare and in people's own homes.

Services range from assisting with physical jobs that an older person can no longer do, rehabilitation and activity groups, respite care, and connecting carers with other carers.

Carers are often isolated, with many feeling it intensely. Our Community Workers are able to support carers of older people in their caring roles.

Our community care services encompass the following:

- Home Care Packages' management
- MCA FlexiCare
- NDIS
- Home Maintenance and modifications
- Community day and overnight respite centre-based and in-home
- Rehabilitation

Our range of community care services offers people with greater flexibility to make choices that suit their individual needs and promote independence.

## HOME CARE PACKAGES

MannaCare supports four types of Home Care Packages:

- Level 1 - basic level care needs
- Level 2 - low level care needs
- Level 3 - intermediate care needs
- Level 4 - high care needs

Care Advisors are available to assist clients get the most out of their package.

## MCA FLEXICARE

A wide and flexible range of regular services available by our qualified, experienced and friendly staff.

## HOME MAINTENANCE

Advice and assistance with home and garden maintenance to help maintain a safe, habitable and healthy home environment for older people and those with a disability.

## COMMUNITY RESPITE

Provide carers of older people with the opportunity to take a break while being reassured their loved ones are safe and secure.

## NDIS

Registered provider of NDIS services including:

- Personal care
- Respite in-home and facility based
- Domestic services
- Home maintenance
- Home modifications
- Allied Health
- Nursing
- Service Coordination
- Advice and support navigating the NDIS services

## REHABILITATION

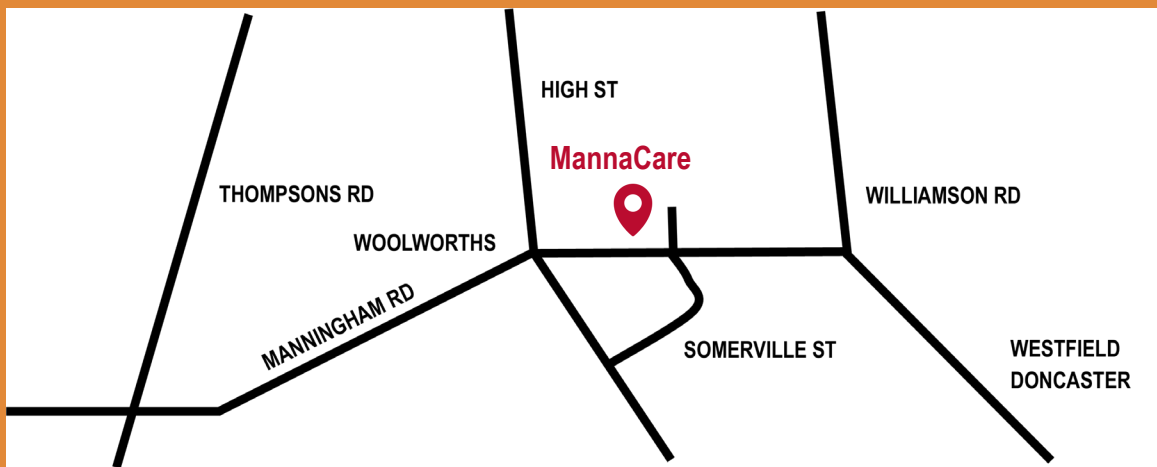

Extensive range of individual and group sessions focusing on reablement and promoting independence. Allied Health services provided include physiotherapy, occupational therapy and podiatry.

## GYMACTIVE

Strength and cardio exercise equipment, designed to meet the needs of older people. Also incorporates stretching, strengthening, balance and co-ordination exercises.

## THE COMMONWEALTH HOME SUPPORT PROGRAM (CHSP)

Funded by the Australian Government Department of Health, this program supports eligible older people living in the community to maximise their independence, through the delivery of timely, high quality entry-level support services.
