

MannaCare
WIDER CHOICES FOR OLDER PEOPLE

Home Maintenance Service

WHAT ARE HOME MAINTENANCE SERVICES?

With advancing age or disability, it can become increasingly difficult to attend to the maintenance of the home and the installation of equipment required for a liveable environment.

MannaCare Home Maintenance Service is funded under the Commonwealth Home Support Programme (CHSP) and NDIS, and aims to provide advice and assistance with home maintenance.

These services help older people or those with a disability maintain a safe, habitable and healthy home environment.

WHAT HOME MAINTENANCE SERVICES ARE OFFERED?

MannaCare is able to provide non-trade assistance for small and minor repairs. In addition, we are able to assist clients with advice on wall rail modification installations and home safety assessments.

- installing ramps, steps and handrails
- doing minor home modifications (such as minor carpentry and shower hardware modifications)

HOME MODIFICATION AND SAFETY ASSESSMENT ADVICE

An Occupational Therapist is funded by the CHSP to do home modification and safety assessments.

MannaCare also accepts referrals from the State-wide Equipment Program (SWEP), with referrals coming through Occupational Therapists of treating health services.

For all referral enquires and advice, call MannaCare on 1300 90 20 23.

WHO IS ELIGIBLE FOR HOME MAINTENANCE?

- is aged 65 years or older, or
- 50 years or older and identify as an Aboriginal and/or Torres Strait Islander person, and
- has difficulty performing simple property maintenance tasks due to functional limitations, or
